## WORK EXPERIENCE

---

### ***Earthbound LLC***

*July 2020 – May 2022*

Part-time warehouse packaging team member. Responsibilities included managing orders, labeling packages, and shipping the desired product to the buyer within a scheduled time frame.

### ***Pine Cove***

*May 2022 – July 2022*

Full-time camp counselor over a six-week period. Responsibilities included leading, watching, and taking care of campers six days per week. In addition, my position required leading classes and curating projects for the families.

### ***SAF***

*April 2023 – February 2024*

Part-time lagoon monitor. Responsibilities included customer service, raking sand, watching for weak swimmers, and renting out/managing water vessels.

## EDUCATION

---

### ***Collin College***

*August 2021 – May 2024*

AAS – Communication Design - User Experience Design Track

## AREA OF EXPERTISE

---

### ***Empathetic Nature***

Possesses a strong natural sense for human intuition, interpersonal connection, and viewing the world from another's point of view. Able to effectively translate user pain points and goals into intuitive and meaningful experiences.
